A GRACEFUL BOUTIQUE HOTEL IN A  
19TH-CENTURY TOWNHOUSE

Villa Soro is a charming boutique hotel located in an immaculately renovated 19th Century stately home, declared a Historical Heritage Building of Donostai / San Sebastián. Set on a privileged elevated position, Villa Soro is just a short walk to the old town and Zurriola beach - popular with surfers. It is also a short walk to the world-class restaurant Arzak. Built in 1898 as a family home, the house retains all the splendour, warmth and homeliness of its privileged origins. A stately entrance with parquet flooring, a grande staircase and a stained-glass panel in the ceiling bearing the coat of arms of the family that once lived here greet guests upon arrival. To one side, a log fire welcomes you in the graceful sitting room and to the other is a cosy bar. Gardens specially designed by the French landscape designer Ducasse encompass the hotel. The 25 elegant and spacious guest rooms, consisting of 16 standard double, 1 single and 8 superior (luxury villa), are equipped with all the essentials, whether it be a romantic getaway, family holiday or business stopover: individually controlled air conditioning, international TV, Nespresso machine, high speed internet and DVD players in all rooms. Bedrooms also feature a minibar with courtesy soft drinks, Molton Brown toiletries, bathrobes and slippers. Room service offers a short and exquisite menu with high-quality dishes that reflect the rich culinary tradition of San Sebastián, available from 7pm. Active guests have access to a small well-equipped gym, or can explore San Sebastián by bicycle courtesy of the hotel. Villa Soro has a meeting room with state-of-the-art facilities and also offers the possibility to privatise other spaces in the villa's public areas - ideal for cocktail parties, weddings, or company events. Airport transfers are on request.
