It meanders in a circuit like a river, fitted with swan-neck and volcano-shaped features, bubble beds and a series of propulsive jets. There are also heated jacuzzis, hydrotherapy and Turkish Hammam, perfect for relaxing the muscles after visiting the hotel's personal gym. By night the rooftop converts into the Skyline terrace bar with magnificent views of Cies Islands and Vigo city. In Skyline Bar you can enjoy the best cocktails accompanied by an exclusive selection of chill out music. It is also available to surprise your guests if you arrange an exclusive private party. Gran Hotel Nagari Boutique & Spa includes the modern and elegant, stylish Alameda XXI restaurant, which serves traditional seasonal cuisine and has over 200 wines for guests to try.
