

## Hotel L'Albereta Relais & Chateaux

A SMALL ROMANTIC LUXURY RESORT IN THE FRANCIACORTA WINE REGION

**H**otel L'Albereta is a 5 star glamorously romantic ivy-clad 19th century residence, immersed in mature botanical gardens and sculpture parkland with views over the vineyards of Franciacorta, a beautiful area producing Italy's best sparkling wines. Created to celebrate the 3rd millennium, the Parco delle Sculture is a genuine open-air museum where thirteen contemporary art sculptures wind their way across 61,000 hectares of parkland. The views from the hotel extend as far as the Alpine foothills and pretty Lake Iseo, home to Europe's largest lake island. The hotel itself retains a number of its original features including antique master paintings and frescoes. An intimate fireplace makes the atmosphere in a number of guest rooms even more magical; in others, four-poster beds are the epitome of relaxation. Balconies and terraces stretch out among the verdant vineyards, tall pines, majestic magnolias, fragrant limes and the many other trees that fill the L'Albereta park, giving every room breathtaking views. The 38 rooms and 19 guest suites offer unique charm and incomparable comforts. The Cabriolet Suite, with a marble master bathroom with hydro-massage tub, provides romance and surprise in every corner: at the touch of a button the roof opens to reveal the sky. Lake Tower Suites are large with an independent lounge, refined furnishings, flooring with fine marble and wood inlays and, in most bedrooms, elegant four poster beds. Pink marble

bathrooms have hydro-massage tub and multifunctional shower with sauna and Turkish bath effect. L'Albereta's Espace Chenot Spa is one of Chenot's only two medical & wellness spas in Italy, with a 30-strong team including doctors, therapists, dieticians, osteopaths and beauticians. There is also a spacious gym with latest-generation Technogym equipment. Guests of Espace Chenot can enjoy a healthy menu, drawn up by dieticians, in the wellness restaurant. Gastronomic pleasure can also be experienced in LeoneFelice - a refined restaurant with a contemporary designer décor, and VistaLago Bistro - a vibrant dining experience set in the oldest part of the estate. The Greenige Lounge, with its warm, homely atmosphere, is the perfect place to relax in total privacy. Children are very well catered for at L'Albereta. Maty's Club is a place of pure fun, created for welcoming children from 3 years old: a world of games and special activities will treat your children to an unforgettable experience, each time different and exciting. Hotel L'Albereta is not only a perfect choice for spa therapies and gastronomy, it is ideally located for many activities. Franciacorta Golf Club is three miles north. Vineyard tours can be organised, mountain bikes are available and a dedicated personalised concierge service can meet most requests.
