

Seaside Palm Beach Hotel

A LUXURY RESORT IN GRAN CANARIA TO EXPERIENCE YOUR HOLIDAY OF A LIFETIME

Seaside Palm Beach 5 star Hotel is the first Design Hotel™ in the Canary Islands, one of only a small number of hotels throughout the world which have received this award. The hotel's retro style is reminiscent of the 1970s, but also incorporates contemporary artistic trends. The 304 rooms and 24 suites feature striking contrasts between colours and materials, while the expressive colour schemes used match the strong sunlight of the southern latitudes and harmonise with the overall interior. The room designs include four colour worlds which reflect the beauty, climate and spectacular colours of the Canary Islands: Beige & Brown, Yellow & Turquoise, Violet & Green, Coral & Blue. Warm colours on the walls suggest the colour spectrum of a Mediterranean sunset, whilst the floors in the hotel rooms represent a refreshing reflection of the sea and the beach. The resulting ambience of Seaside Palm Beach is full of subtle refinement, in unique surroundings combined with outstanding design. Located to the south of Maspalomas in the municipality of San Bartolomé de Tirajana on the edge of a nature reserve, the sand dunes and 5 miles of beach are just a few minutes walk away. It is located in the immediate vicinity of 4 exclusive golf courses and offers green fee concessions to hotel guests. Luxury is standard at the hotel and can be experienced in its every aspect.
