ENJOY THE WONDERFUL VIEWS OF THE IMPERIAL CITY OF TOLEDO
WHILE ENJOYING YOUR STAY IN THE LUXURY OF THE PARADOR

Enjoy the Imperial City of Toledo, a World Heritage Site, while staying in the luxury of the Parador de Toledo - an impeccably restored old building perched on the nearby hill of Cerro del Emperador, offering spectacular views across Toledo. The Parador offers spacious, luxurious accommodation and facilities. The comfortable contemporary furnishings are encapsulated with traditional wooden beams. The warm cosy guest rooms, illuminated by nature's light, will envelop you, not only offering gorgeous views over Toledo - all rooms also offer views of the outdoor pool, where you can lounge in the sun after a refreshing swim. Guests can spend their evenings relaxing on one of the hotel's terraces admiring the golden sunset. During summer

months the Parador's exceptionally fine cuisine can also be enjoyed on the terrace. Discover delicious, hearty dishes and delicacies from centuries-old recipes based on natural countryside ingredients such as the finest game dishes, including venison tenderloin with honey and partridge braised in wine, along with a selection of fish and vegetable dishes. This delicious menu is accompanied by a fine wine menu including La Mancha varieties. No meal is complete without dessert and the Parador's restaurant serves only the best in local recipe cakes including the famous ponche toledano (sponge cake topped with marzipan). The Parador de Toledo is the ideal place to stay to discover this historically unique, preserved city and the traces left behind by three cultures: Muslim, Jewish and Christian. Wander

through its narrow side-streets, squares and gardens, visit the Roman palace fortification, the cathedral, its mosques and synagogue, baths and caves, and fall in love with the city, just as Quevedo, El Greco and Bécquer did.
