

## La Almunia del Valle

A COSY SMALL BOUTIQUE HOTEL IN SIERRA NEVADA - GRANADA

**L**a Almunia del Valle is a small boutique hotel, located in one of the most beautiful areas of Granada, Andalusia. This cosy hotel is in the municipal district of Monachil, just 5 miles from the Alhambra and 11 miles from Pradollano - the ski station of Sierra Nevada Natural Park. La Almunia del Valle is a "cortijo", typical country house in Andalucía, and has been rehabilitated with absolute respect and integration into the environment with hillside gardens, secluded terraces, fountains and running waters. The main building is staggered at different levels in the hillside from where you will contemplate the magnificent scenery including the properties own cultivated orchard groves of chestnut, olive, fig, almond and fruit trees and the natural areas of oak and wild herbs (a total of 13,000m2). A lawned area with views to the mountains provides the perfect location for lazy days by the swimming pool. The 15 guest rooms project a warmth and comfort, accentuated by their soft earthy colours. Each is provided with elegant ceiling fans, telephone and a free mini-bar of fresh juice and water. Superior rooms have a superb private terrace. Six contemporarily gorgeous rooms, whose picture windows embrace the view, cut into the hillside behind.

Attention to detail has been the hallmark of the design, complemented by an interesting collection of original art work displayed around the hotel. The interiors are a mix of period and modern: traditional slate floors, leather chairs and an impressive collection of multi-lingual books. From the vast sitting room with cosy fireplace for winter evenings, admire the dramatic sweep of mountains and the valley below. There is also free wifi connection in the sitting room. La Almunia del Valle offer a dining service exclusively for guests with a daily menu that is fully prepared using seasonal fresh products from the province or the neighbouring areas. Typical local specialities include beans, artichokes, chirimoya, mango, and mountain meats. Vegetarian menus are catered for. Monachil is an idyllic retreat that offers both tranquility and adventure. You can discover the beautiful hills on horseback, arranged by the hotel, or discover the valleys and hanging bridges of river Monachil - a Moorish trail through tunnels, past waterfall and rock-pools.
