

Hotel Botanico & Oriental Spa Gardens

THE ONLY OFFICIAL 5-STAR “GRAND LUXE” HOTEL ON THE CANARY ISLANDS

The 5 star luxurious complex of Hotel Botanico & Oriental Spa Gardens is a haven of peace located in Puerto de la Cruz, north Tenerife. Set amongst vast landscaped subtropical gardens with tranquil water features, Koi ponds and Thai architecture, the hotel offers amazing views to Mount Teide and the Orotava valley. Hotel Botanico is a member of the luxury hotel group “The Leading Hotels of the World”, gaining its supreme standards through its privileged setting, notable facilities and attentive services. Here guests can enjoy one of the largest Canarian art collections worldwide. Classic in style with oriental influences, there is a timeless grace throughout the property. Rooms are conservative and tastefully adorned in vintage textures, rich fabrics and prints. Luxury elements include marble bathrooms, a pillow menu and dual-mood lighting, along with every refinement for a comfortable stay. Balconies offer spectacular views of the ocean, Mount Teide or the oriental gardens. Impeccable luxury can be found in the suites such as the Bill Clinton suite, occupying its own wing on the penthouse floor with exclusive access and superbly decorated with Thai silk fabrics, rugs from the Royal factories in Madrid, and unique pieces of art and antiques. The suite is available with two or three bedrooms, each with its

own large marble bathroom and a separate dressing room. It also boasts a spacious lounge with work area, an indoor whirlpool, a private kitchen with available butler service, reception areas, an elegant dining room seating up to ten and a wrap around terrace. Function rooms, a business centre and a professional events planner are compelling services for both corporate and leisure occasions. Floodlit tennis courts, a putting green area with a bunker and a driving range, ping-pong and snooker tables will satisfy the more active guest. The magnificent Oriental Spa Garden is the jewel of this hotel, one of the best in Europe. With facilities such as ice-temple, whirlpools, a thermal circuit, indoor and outdoor pools and 20 treatment rooms, guests are spoiled by an outdoor paradise. Some of the more unique treatments include chocolate baths and fruit wraps. There is also a Thai pagoda in the gardens for open-air Thai massage. Maximise this experience further by visiting the fitness centre and the beauty parlour. There are 4 restaurants in the hotel serving evening meals, those from Canarian, Italian and Oriental. The Palmera Real, serves breakfast and lunch.
