

FLAMINGO FLOCKING!

Welcome to our newest and most fun fundraiser! We are deploying flocks of pretty, pink, plastic, flamingos all over Germantown. The idea is to surprise someone with the flock on their lawn, and then they can make a donation depending on the option they choose. Each flock comes with approximately 25 birds and yard sign saying "You've Been Flocked!" On the back of the sign is a flyer with the following information:

- \$20 donation- Removes the flock from your yard
- \$30 donation- Removes the flock, and then "flock a friend"
- \$50 donation- Flock removed, flock forwarded, and flock blocked from coming back to your yard.

*Note: The Houston Band is working hard to raise funds to cover our expenses, and we appreciate any donation that you can make. However, if you are unable to donate at this time, contact our team of flocking experts to remove the birds at no cost. We hope that you've enjoyed this surprise flocking and appreciate the spirit and good will with which it was intended.

If you are interested in deploying your own flock or purchasing anti-flock insurance, please go to www.thehoustonband.com, click on the "GIVE" tab, and then click on the "Donate PayPal" button to pay via PayPal or with a credit card. Because this button is for general donations to the band and not specific to flamingos, please just let us know what you'd like to do in the "add special instructions" box before donating. You can:

1. add the name and address of who you are sending the flock to
2. add any dates to avoid or send on a particular date-we have a birthday yard sign we can stick out!
3. add that you're purchasing insurance
4. add that you're paying to remove your surprise flock
5. add that you just love this idea and want to donate any amount

If you still have questions, feel free to contact Tricia Hardin at tghardin@aol.com or 901-412-5486.
