TESTIMONIALS

The setting was stunning, the food was delicious and the staff so attentive, helpful and friendly. The staff went out of their way to make our day special, including catering for the vegetarians, gluten free friends, teenagers AND preschoolers! The transformation of their rooms to a top class wedding was extraordinary.

- *Tammy Bodey*

The venue, the food and the staff were absolutely wonderful and we could not have wished for a better venue. Many thanks to the super friendly and helpful management and staff.

- *Chris Dawkins*

The venue was just stunning and once the doors opened the reception area was so beautifully decorated. The food was served with great timing and looked and tasted amazing. Thank you to all your staff who were very attentive, professional and nothing was too much trouble. Thank you for making the night one to remember.

- *Samantha Rutledge*

I was planning the wedding from overseas, and there were certain aspects that I focused on, a fun inner city location with a fun atmosphere, and a casual décor and theming. I booked sight unseen, apart from photos off the website, because planning a wedding from overseas is hard enough but the team at The Verandah made this a very easy process.
