Besides the many activities the children went on together, there were several children who individually participated in summer camps and other activities like basketball, Winchester Sheriff's Explorer Program, WMC's Summer Health Camp, and soccer camp. It was a very busy summer! We have several people and groups to thank for many of the activities:

Braddock Street United Methodist Church
Blaine & Donna Jenkins
Nick & Kathy Nerangis
Jimmy Robertson
Emmanuel United Methodist Church
Jonathan & Su Snowden

Summer came to an end too soon and on August 11th, the kids went back to school. Thank you LL McKee for donating the fabulous haircuts!!

To our "Change a Child's Life" members, please note that we have decided against acknowledging monthly donations with a postcard. Instead we will send you an annual summary of your CACL donations in January for the previous year. Of course, if you would prefer to receive monthly acknowledgements, please let us know and we'll be happy to continue them.

We are excited to announce that we have partnered with Rite Aid and are now an official KidCents charity! KidCents is a program created by The Rite Aid Foundation that allows Rite Aid customers to round up their purchases to the nearest dollar and donate their change to help support kid-focused charities.

The Evans Home will now be listed as an official KidCents charity on kidcents.com. Through KidCents, Rite Aid customers can visit www.kidcents.com, elect to round up their Rite Aid purchases, and donate their change to an official KidCents charity, **which now includes us!**

Here's what you can do to support us with your KidCents round-up donations when you shop at Rite Aid:

- Visit www.kidcents.com and follow the steps online to become a Rite Aid **wellness+** member (join for free) and enroll in the KidCents program.
- After you join wellness+ (or if you are already a **wellness+** member), login on www.kidcents.com and click "Select a Charity" on the website menu.
- Here you can search for Henry & William Evans Home for Children in the list of official KidCents charities.
- When you find the Evans Home, click on the "Select this Charity" button so that your KidCents round-up change will be designated to us.
- Now the next time you shop at Rite Aid, your change will be rounded up to the Evans Home!

It also means that **YOU** have the ability to help us reach our goals by simply shopping at Rite Aid and rounding up your purchases for our organization, as well as asking your friends and family to participate in the program. Imagine the change that your change can make!

We are looking forward to our partnership with The Rite Aid Foundation and excited by the opportunities that KidCents brings to our organization and those we help. Thank you for your support!

Sincerely,
