

The Partnership For A Drug-Free New Jersey

You are invited

Vernon Chamber of Commerce Member Meeting

Wednesday, February 21, 2018 from 6-8pm

The Lamp Post Inn –Dinner may be ordered off the menu

With Special Guest Speaker

Bill Lillis -The Partnership for a Drug-Free NJ (PDFNJ)

As per the CDC, over 60,000 people died of an overdose in 2016 in the U.S., and in 2017 fatalities are expected to be even higher. PDFNJ is reaching out to the New Jersey business community to raise awareness on the issue, as well explaining the important role employers have in the role of prevention, intervention and treatment and recovery. Bill Lillis, who coordinates the drug-free workplace program *Drugs Don't Work in New Jersey!*, provides technical assistance for businesses interested in establishing, maintaining and updating their drug-free workplace policies. He has more than ten years of experience in the fields of prevention and treatment of alcohol tobacco and other drugs.
