

The White Center Community Development Association (WCCDA) works to eradicate poverty and build a vibrant, economically diverse community.

The WCCDA aims to be a bold, innovative, community-led sustainable and results-driven organization committed to eliminating racism and creating positive economic and social change. We do this by partnering and providing direct services that support community, family, neighborhood revitalization, and evaluation.

Community. We increase resident voice to build a vibrant, multi-ethnic, and proud White Center community by:

- Supporting resident-led activities
- Strengthening resident connections & leadership
- Creating opportunities to build relationships

tiffany@wccda.org

Family. We assist White Center early learners, young adults, and their families in achieving their goals by:

- Building knowledge
- Accessing services
- Providing leadership opportunities
- Connecting families to schools, resources, and each other

catherina@wccda.org

Neighborhood. We use a community-based economic development approach to support small business owners, low to moderate-income homeowners, tenants, and other White Center residents by:

- Bringing neighbors and partners together to grow small business & entrepreneurship
- Sharing resources such as home repair, foreclosure prevention, tenants' rights, and affordable homeownership information
- Advocating for transparent and equitable neighborhood investments

marie@wccda.org

Data. Our community-oriented data approach makes our work unique and keeps us accountable to White Center residents by:

- Incorporating data in all our activities
- Conducting surveys and interviews of residents
- Creating data dashboards
