Coach Evaluation – Older Players

Please take some time to give me your thoughts so that I can continue to improve as a coach.

Coach:_____

1. What have I done this season that has been particularly useful for you?

2. What have I done this season that has not been useful for you?

3. In what areas do you think I can improve?

4. In what areas do you think I excel?

5. Do you have any other relevant comments or thoughts that will help me?
