Minnesota Senate Building  
95 University Avenue W.  
Room 2113  
Saint Paul, MN 55155

Dear Senator Fischbach,

You asked for clarity as to our plans to fill the position involving family planning that was pulled last Friday. As I have indicated in my statement, we will examine the value of this training in the context of our mission along with the values of the community.

I do not intend to fill this position for at least one year. In the future, we will have a more robust and comprehensive review process for positions and training programs to ensure proper due diligence and proper notification to stakeholders.

Jakub Tolar, MD, PhD  
Dean of the Medical School  
Interim Vice President of the Health Sciences
