The staff and volunteers of One Man’s Treasure welcome you home and wish you every success in your reentry into the community. We hope this guide will assist you with resources for your needs during this time of transition and as you seek employment. Please take a moment to read the message below as a guide for the days ahead.

We will keep you in our prayers.
May God bless and keep you!

Your feelings and emotions, only you know what they are as you cross this new milestone of reentry. But do not be overwhelmed by them and be anxious for nothing as the scripture tells us. Every need will be met as you prayerfully pursue them. You are not alone as long as you realize there is One greater than you willing to aid you. Stay encouraged, do not try to make up for lost time or things, and press forward toward the purpose for which you were created. Now is the perfect opportunity to become all you were created to be. Always remember you cannot accomplish it looking back or standing alone. Be patient and never give up and you will win against all opposition.
