

# A MIDSUMMER NIGHT'S GREEN

**Thursday, July 20, 2017**

**5:30-9:30 pm**

**Arena Stage | 1101 6th Street, SW, Washington, DC 20024**

For sixteen years running, USGBC National Capital Region's A Midsummer Night's Green has been the premier summer social event of the DC area green building community. It regularly brings together over 300 of the most informed and influential individuals in our region for an evening of networking and celebration, as we recognize the best of the best in sustainable building with our Community Leader Awards.

After a hugely successful 2016 event, this year's A Midsummer Night's Green will again take place at the stunning reception atriums of the Arena Stage, with the Awards Ceremony hosted in the Kogod Theater. For 2017, we're expanding the event to the Arena Stage's Rooftop Terrace for a VIP Reception for our sponsors and other special guests.

Proceeds from this event fund USGBC-NCR's education, advocacy, and volunteer work throughout the year. We hope you'll join us and support our mission by signing on as a sponsor. Together, we can create a greener, more sustainable future for all in the DC metro region!
