**Fuse Medical, Inc. Ranked No. 56 Fastest Growing Company in North America on Deloitte's
2018 Technology Fast 500™**

RICHARDSON, TX, November 20, 2018 /Businesswire/ -- Fuse Medical, Inc., (OTC: FZMD), ("Fuse" or the "Company"), a contract manufacturer and national distributor of medical devices, announced that it has been named Number 56 on Deloitte's 2018 Technology Fast 500™ ("Technology Fast 500™"), an annual ranking of the fastest growing North American companies in the technology, media, telecommunications, life sciences and energy tech sectors.

During the selected period, Fuse's revenue grew 2,706% securing the No. 56 spot on the list. Overall, 2018 Technology Fast 500™, companies achieved revenue growth ranging from 143% to 77,260% percent, with the medical device sector having median growth at 396% percent.

Christopher C. Reeg, Chief Executive Officer, commented, "We are honored to make our debut on the Deloitte's Technology Fast 500. It is a privilege to be included with other fast-growing, innovative companies that are rapidly becoming leaders in their market sectors. This recognition further validates Fuse's continued commitment to new product development, while adding value to the health care system."

Sandra Shirai, vice chairman, Deloitte LLP, and U.S. technology, media and telecommunications leader, "Congratulations to the Deloitte 2018 Technology Fast 500 winners on this impressive achievement. These companies are innovators who have converted their disruptive ideas into products, services and experiences that can captivate new customers and drive remarkable growth."

About Deloitte's 2018 Technology Fast 500™

Deloitte's Technology Fast 500™ provides a ranking of the fastest growing technology, media, telecommunications, life sciences and energy tech companies – both public and private – in North America.

In order to qualify for Technology Fast 500™, a company must meet certain criteria including: (i) be in business for minimum of four years; (ii) headquartered in North America; (iii) at least \$50,000 in operating revenue for 2015; (iv) at least \$5 million operating revenue for 2018; (v) a growth rate of 75 percentage or greater; and (vi) own proprietary intellectual property or proprietary technology. The winners are selected based on percentage fiscal year revenue growth over a three-year period.
