MUSIC AND ENTERTAINMENT

Our in-house sound system covers all areas of the venue and plays a great range of music we all know and love. For quite dinners in The Whisky Lounge we can alter the volume to suit and we have a microphone for speeches in The Snug. Both TV screens are available to use and require a USB for rolling photos. Perfect for those embarrassing 21st pics!

BEVERAGES AND BAR TABS

We supply an extensive range of New Zealand's top wines, tap and bottle beers, spirits and non-alcoholic beverages.

There are a number of ways to set up and operate different bar accounts for you:

// FULL BAR TAB //

You can specify the range of beverages available as well as the spend limit. Your guests will charge the full amount of their drink onto your tab. Our staff will keep track of you and your guests spend throughout the evening and will advise when this is reached. You can then increase the tab limit or choose to move it over to a cash bar.

// SUBSIDISED BAR TAB //

Our 50/50 bar tab option is very popular for large groups as your tab will last generally last longer and your guests are happy with cheaper drinks. This option is where half the price of the drink will go on the tab and the other half will be paid for by the guest. Again our staff will keep track of your spend and once the limit is reached you can increase or move to over to a cash bar.

// CASH BAR //

Your guests can pick and choose as they please from the full beverage list and pay individually at the bar.

// VIP TAB //

You may like to have a small handful of special guests on a full bar tab with all types beverages available to them throughout the night. Ask our Events Manager for more details.
