Organisation:

The coordinators are bringing this forum to the industry on a non-commercial basis. Charges will be used to fund venue hire and logistical costs. No membership of any organisation or venue is required to participate. However, participants must work in a role connected with anti-abuse activity or technology to participate. The coordinators will have full discretion as to attendance and content.

Results of discussions will be made publicly available, but on an anonymous basis. None of the outcomes will be considered legal advice or form any precedent. Rather, the forum is intended solely for discussion for those across the industry, in any relevant capacity.

Framework:

- ❖ Two forums per year
- ❖ Non-profit approach
 - Priced at cost
 - No sponsorship or advertising

Conditions:

- Held under Chatham House rules.
- Attendee must be in a role connected with counter market abuse measures in energy and commodities.
- Max. 2 persons per organisation.
- Contribution to discussion required (active participation).
