

# WORKFORCE INFORMATION SESSIONS FOR SILVICULTURE IN 2019

The silviculture industry and wider forestry industry are facing challenges meeting their **demand for labour**. The Ministry of Business, Innovation and Employment, the Ministry of Social Development and Te Uru Rākau along with support from the Forest Industry Contractors Association (FICA) are working together to support the industry to respond to these workforce challenges.

These government agencies will together be hosting seminars to provide you with information about **potential sources of labour for the 2019 planting season**. This is your chance to find out what sources of labour might be available for you, what you need to know in order to access different types of labour, and what your obligations are as an employer. It is also a chance to ask questions about labour supply.

The seminars are also an opportunity for networking with other contractors, employers and key government contacts in the region.

Make sure you book these dates for a workshop near you.

**WE WELCOME ALL SILVICULTURE CONTRACTORS  
AND FORESTRY EMPLOYERS**

At the conclusion of the seminars, refreshments and light food will be provided.

Please RSVP to: [admin@fica.org.nz](mailto:admin@fica.org.nz) or Jo at 021 2984690  
Or online at [www.fica.org.nz](http://www.fica.org.nz) EVENTS
