

Here are a couple tips on how  
YOU can help prevent the  
spread of germs!

1) Sing this song as you wash your hands:

**Twinkle Twinkle Little Star**

Twinkle, twinkle, little star  
How I wonder what you are  
Up above the world so high  
Like a diamond in the sky  
Twinkle, twinkle little star  
How I wonder what you are

2) Instead of shaking hands, try the Vulcan  
greeting: Live Long And Prosper!
