

Michiana Astronomy

Michiana is a vibrant area for astronomy enthusiasts. Among the highlights are star parties, public lectures, astronomy camp, planetarium shows, astronomy club outings, telescope clinics, sidewalk astronomy, community celebrations, model rocketry, and public outreach.

Michiana Astronomical Society Inc.

www.michiana-astro.org

MAS is a Michiana astronomy club founded in 1974. It meets monthly, hosts guest speakers, coordinates the annual Michiana Star Party, and supports amateur astronomers.

YMCA AstroCamp

www.astrocamp.us

AstroCamp invites youths aged 9-13 to spend a week under dark skies to stargaze and use telescopes with a team of experienced astronomy educators.

Nightwise

www.nightwise.org

Nightwise is Chuck Bueter's portal to astronomy events in the Michiana region. The site includes Chuck's blog and local projects.

PHM Planetarium

<http://dvt.phmschools.org>

The Penn-Harris-Madison Digital Video Theater is a full-dome video facility with a premier History of Astronomy and Air Space Museum. It offers regular public programs, with the schedule posted online.

Kennedy Planetarium

https://www.edline.net/pages/Kennedy_Primary_Academy/About_Us/7653590895299047618

The Kennedy Planetarium, housed in Kennedy Primary Academy, offers inspiration and astronomy instruction to students and families of the South Bend Community School Corporation.
