

## Shop to help raise funds for Gymea North Public School

We raised almost **\$1500 in 2014** from our shopping incentive partners, which helped to pay for additional technology in the classrooms. Please continue to support them - mention our school when you shop to make sure that the rewards come back to Gymea North. It's that easy! Remember to let family and friends know too so they can support us.

Buy shoes from **Athletes Foot** at Miranda, Hurstville or Broadway, and mention Gymea North Public School. We will receive \$5 per pair of shoes purchased!

**Aussie Farmers** have just launched a new incentive programme. We now receive rewards based on the number of new accounts that are linked to our school. So you need to quote our Unique Fundraiser Code 1520 when you register or place an order. Once we achieve more than 20 new accounts (in a 6 month period), we will earn \$600 credit or one iPad for our school.

We have organized a continuous fundraiser with **Identikid**. All you have to do is place your order online, and quote our code **1295**. 15% of all sales come back to our school. [Click here to order](#)

Use your community benefit card and tag linked to our school when shopping at ANY **Ritchies** store (closest is Taren Point). If you shop regularly at Ritchies, ask us for one of these tags by emailing us at [gnps.pandc@gmail.com](mailto:gnps.pandc@gmail.com). You then earn discount on your personal shopping - we can even give you extras for friends and family! For every \$2000 spent each month, our school receives 0.5% of the dollar value.

WINNERS OF THE LEADER 2009 SUTHERLAND SHIRE BUSINESS AWARDS

Buy school shoes from Wilson's at Jannali and 5% of the sale amount comes back to Gymea North. Remember to mention GNPS and ask for a School Sponsorship Voucher, then hand this in to the school office (without these we can't claim our commission).
