You can make a lifelong impact on a child struggling with reading

OUR SCHOOL SITES IN PASADENA

Reading Partners currently serves students at six schools throughout Pasadena. We transform an empty space of our partner schools into a functioning reading center, providing a positive learning space for students and their volunteer reading partners.

THE VOLUNTEER EXPERIENCE

Our volunteers provide one-on-one reading support each week for one hour, on a set schedule. All reading centers come equipped with the materials and on-site support volunteers need to provide quality tutoring. Each session follows our step-by-step curriculum. Here's how most sessions go:

1. Prep (sign-in, review materials, talk to site coordinator, etc.)
2. Tutor read aloud
3. Review reading skills and/or introduce new reading skill
4. Student read aloud
