Mirabeau Azure 2017

vinous

AUG. 2018

“Light, bright orange-pink. Lively and sharply focused on the nose, displaying vibrant raspberry, tangerine and white peach aromas that are complemented by suave floral and mineral accents. Shows impressive clarity and lift to its juicy, mineral-driven citrus fruit and red berry flavors, which deepen slowly on the back half. The floral note repeats emphatically on an impressively long, penetrating finish that shows zero rough edges.”
