

# 5 Questions to ask your child before starting school

1. What are you most looking forward to about starting school?
2. What is one thing you could do right now to make this (day, event) even better?
3. What activities make you feel happy?
4. Of all the things you have learnt, what do you think will be the most useful at school?
5. If you could make one rule that everyone at school had to follow, what rule would you make? Why?
