

The National Consortium for
Creative Placemaking Presents

CREATIVE PLACEMAKING LEADERSHIP WORKSHOPS

VALLEYARTS | Orange, NJ

TEMPLE UNIVERSITY TYLER SCHOOL OF ART | Philadelphia, PA

\$30 - \$50 per workshop

Looking to build your knowledge and skills
to enhance communities through arts and
culture?

NCCP's workshops can help.

We have workshops to help you with all aspects of creative placemaking. Learn how to take inventory of creative assets and map them. Explore how local zoning and regulation helps or hinders creative activity. Sharpen your pitch-making skills to get funding from untapped sources. Harness your creativity to engage your community. We offer half-day sessions monthly through May at Temple University's Tyler School of Art and ValleyArts in Orange, NJ.

AICP Certification Maintenance credits to be submitted.
