ANGLESEA SURF LIFE SAVING CLUB BROADSHEET ISSUE NO. 8 SEPTEMBER 2019

FROM THE PRESIDENT

We are racing towards summer and program plans are rolling out. This edition of the *Green and White* Broadsheet celebrates those who performed or contributed outstandingly in the past year and highlights what is planned for the coming year.

As we move forward, the development of our new Strategic Plan is continuing. We have to remember that the club and the environment in which we operate is changing. The expectations of our members and stakeholders have evolved and are not what they were 20+ years ago. In 12 months time we will have a brand new building for which we need to maximise usage. It is critical that we have a strong plan to guide the club into the future and its next evolution.

The next 12 months will be challenging as we don't have a dedicated clubhouse from which to base ourselves. However, we will survive; with a little patience and flexibility we will continue to operate. I encourage all supporters, members and social pass holders to get involved in everything 'Anglesea'. We are a great Club, doing great things, and I encourage everyone to take an active part.

NEW DIRECTORS

Barry White – Vice President Life Saving

Barry White joined the Club in 1965 and completed his bronze in 1966.

He initially competed in R&R and then boats from 1966. He was previously on the committee and was Vice President for a short period in the early 80s.

He reconnected with the Surf Club after commencing a new role at Deakin university, Geelong and has been involved ever since. He has competed in Masters boats from 2003 and currently still competes. Barry has enjoyed placings including gold, silver and bronze in ASRL National and State and Aussies (silver, bronze).

Barry is passionate about lifesaving and competition and will be a terrific addition to the Board of Directors.

Marli Wilkinson – Club Captain

Starting as a 7 year old in Under 8 Nippers, Marli has always loved being a part of the Club.

Over the years she has been heavily involved with Anglesea, from coming down every summer for Nippers to the wintery weekends spent doing winter Dolphin training. Each Nipper season brought with it the summer friends that are now some of her best mates along with loads of fun being involved in Bronze and Silver Camps.

Marli gained a real love for competing in the green and white at local Vic beaches, interstate and even competing at the World Championships with the Anglesea Beachies in Adelaide. Watching the Club change and evolve over the years has made Marli really keen to get involved and what better way than by taking on role of Club Captain.

She hopes to inspire our young Nippers coming through the ranks to continue to be involved in any capacity, whether its competing with the beach or water teams, water safety, ASRs or even becoming instructors in the development programs of Bronze and Silver.

'There is something for everyone at Anglesea and I hope I can get as many people as possible involved in things that interest them!'

YOUTH DEVELOPMENT'S STRUCTURE HAS BEEN MODIFIED TO MORE CLEARLY DEFINE KEY ROLES AND MAKE THE MOST OF THE DIVERSE RANGE OF BACKGROUNDS AND EXPERTISE WITHIN THE CLUB. I AM HOPEFUL THAT COLLECTIVELY WE CAN UTILISE THIS NEW STRUCTURE TO EXPAND THE RANGE OF ACTIVITIES AND EXPERIENCES OUR NIPPER AND YOUTH MEMBERS ARE EXPOSED TO.

Following Fiona Fitzgerald's tenure over the past 4 years, Matt Keenan is our new Big Nipper for the upcoming season. Matt brings considerable corporate and organisational experience to the role and combined with his wife Chris and children Mackenzie and Jimmy's enthusiasm for the club, he will oversee the Nipper summer intensive without a clubhouse. Fiona has kindly become our new Water Safety Manager and will assist with the transition to our new team. Also assisting Matt will be Doug Johnson as the Age Group Leader Manager and Michaela Kelly as our Nipper Administration Manager.

Jenny Higgins is filling a new role as Big Kahuna and will be ably assisted by social managers Sally Bañe and Susie Hume. Together they will oversee the U14-U17 membership and seek to provide social and mentor opportunities in addition to the award training and competition aspects of the club.

Gina Khalil, already on the club's House Committee, is our new Social and Catering Manager and will be assisted by Jane Merrington as Special Events Manager to coordinate Nipper BBQs, the Family Night and Dolphin social events. Jennifer McIntyre is our Media and Communications Manager, and Patrick Haseler will be leading his team as our Gear and Facilities manager.

Ivor Morgan is our new Big Dolphin and will continue to develop the competition aspects of our Nipper and Youth program. Ivor has competed at the highest level in Surf Life Saving and has represented Australia in the marathon kayaking team, has great contacts in the sport and along with wife Yvette, continues to set a positive example for his children Ellie, Summer and Byron. Matt Symington will support Ivor as our new Talent Manager, identifying members and encouraging them and their parents to experience the competition opportunities of the organisation.

Finally, I would like to thank the Anglesea Supporters Group and Bears who have provided generous assistance to make some strategic equipment purchases in order to promote retention and progression of our older Nippers to the Youth age group and are supporting two 'Come and Try Days'. Here, new and old members are invited to experience boat rowing and board/ski paddling in a controlled and safe introductory format.

Dolphins sessions change to weekly in October, and we have upcoming September training on the Sunshine Coast, a coaching accreditation course in October and a training weekend in late November. If you are interested in knowing more about any aspects of Youth Development, we have recently updated the club website and continue to connect through TeamApp and other club social media.

Beach party!
SUNDAY DECEMBER 29TH

Beach Safety

Spring has arrived and it has brought some beautiful warm weather with it! If you are planning to head down to the beach, remember to take care as the beach has many risks regardless of the time of year:

- 1 Lifesavers will be back on duty from 30th November, so where possible always swim between the red and yellow flags as this is the safest part of the beach.
- 2 If you're planning a beach trip before lifesavers are back on duty remember to always swim with a friend, as rescue services will not be readily available to assist you if required.
- 3 Beaches have many risks; remember to read all the signage at the beach entrance prior to entering the water to ensure you're aware of hazards (such as strong currents, rocks and unstable cliffs).

Surf sports

Anglesea SLSC is hosting a 'Come & Try' day on Sunday Oct 13 between 10.00am and 1.00pm to enable any interested present, past and potential new members to try out boards, skis and surf boats. The event will be held at Pt Roadknight beach for safety reasons.

The objective will be to interest people in surf sports, with a view to eventually competing for Anglesea in Open and Masters competition. An opportunity will be provided to discuss pathways through qualification as active lifesavers with Club leaders.

Even if you have had no previous experience with surf craft this is your opportunity to have a try and have some fun. The day will coincide with Junior members, Dolphins and Bronze squad members as part of their scheduled training programs. We hope that current members will also encourage parents, other family members, friends and colleagues to come along on the 13th. Subject to interest a further opportunity will be arranged for Sunday Nov 10.

To help us arrange craft and assistance by other Club members, we would ask that you register your intention to attend, providing age details and preferred craft so that we can schedule the various activities.

This will be a great opportunity for everyone to gain some experience with these craft and possibly progress to become competitive members for our Club.

Registration should be to info@angleseaslsc.org.au mentioning 'Come & Try' day.

Look forward to seeing you on Oct 13th!

BARRY WHITE VICE PRESIDENT LIFE SAVING

THE ANNUAL ANGLESEA GOLF DAY WAS ANOTHER GREAT SUCCESS – A FANTASTIC DAY ON THE ASLSC CALENDAR!

Redevelopment UPDATE

AFTER ABOUT 10 YEARS OF PLANNING, SEEKING LEASES AND PERMITS AND FUNDRAISING WE WERE FINALLY ABLE TO SIGN A CONTRACT FOR THE REDEVELOPMENT IN EARLY JULY WITH WORKS OFFICIALLY COMMENCING ON 15TH JULY.

For those who have not seen the site, the old building is well and truly gone and the contractors, FourSquare Constructions have to date:

- Undertaken preliminary works to maintain services to the second building;
- Demolished the old clubhouse;
- Completed the piling works; and

- At the time of writing, commenced the excavation down to the lower ground level.

We expect the project to take around 12 months and the contractors are currently about 20 days ahead of schedule.

You will have seen that Captain Moonlite is operating but there will be a period next year when they will be closed as the new and existing buildings are integrated. In the meantime please remember that parking is significantly compromised so plan accordingly.

PETER WILLIAMS CHAIR, PROJECT CONTROL GROUP

Rescue Services UPDATE

THE 2019-2020 PATROL SEASON WILL COMMENCE ON 30 NOVEMBER 2019 AND RUN THROUGH TO 13 APRIL 2020. PATROLS WILL BE OPERATING EVERY SATURDAY AFTERNOON, SUNDAY AND PUBLIC HOLIDAY (EXCLUDING CHRISTMAS DAY) BETWEEN THESE DATES.

We are looking forward to seeing everyone out over summer patrolling the beach. Please remember to register for patrols before attending as there are only 20 spaces on each patrol. You can register for patrol through the Anglesea SLSC website under the 'rescue' section. You are required to complete a minimum of 3 hours and be actively involved in a set up or pack up in order for your hours to be counted.

Please remember bring along your bathers, patrol shorts, shirt and skull cap as when you are patrolling you are required to wear these, including wearing your skull cap on your head. In addition, don't forget to bring along a drink bottle, towel and wetsuit. If it's your first patrol, please let your Patrol Captain on the day know, as they will provide you with a set of patrol uniform for you to keep.

If you are interested in joining Anglesea Surf Rescue (ASR) please reach out to Emily King (Anglesea SLSC Patrol Coordinator) on 0400 771 512, as we are always looking for new committed members.

ASR is a group of our most loyal and dedicated patrolling members, who ensure that Anglesea Main Beach is patrolled at all times during the volunteer patrol season, ensuring all awards are covered and LSV and SLSA minimum requirements are always met. It provides a great opportunity to continue to develop lifesaving and leadership skills.

ELISE LANGFORD RESCUE SERVICES DIRECTOR
