

CHRIS KHUMALO (25). He's an average handsome man. He's funny, a flirt, spoilt and very sensitive. (Character must be 20 -25)

Chris enters the shop, he's stressed and a mess. He sits on a table nearby the door.

Linda rushes to Chris, she looks at him in a worriedly and concerned way.

CHRIS
Roxanne umitsile.

LINDA
(confused)
I'm really confused right now -

Chris covers his face, nervous and ashamed. He doesn't know how to tell Linda.

CHRIS
She's... nguye lentfombatane

got a divorced.

Linda closes her eyes, she shakes her head; overwhelmed and refuses to see truth in what Chris is saying.

LINDA
Divorced..? Chris, ukhuluma

CHRIS

LINDA
Phindza futsi...?

CHRIS
Linda, kandzi ufuna ngiphindze

Linda breathes heavily, trying to make sense of everything but seems to be struggling.
