JACOB
(surprised)
You were fired -- what are you doing here?

YVONNE
I came to see Miss Roxanne.

JACOB
Does she know that you're here?

YVONNE
(nodding)
Yes, she does.

Roxy enters the restaurant; she heads to the bar and sits down. She looks at Jacob smiling.

ROXY
Jacob.

JACOB
Roxanne. Okay.. I'll leave you two together -- excuse me.

Jacob walks off and he enters the backroom.

ROXY
I'm happy that you could make it.

YVONNE
(sitting down)
Your call took me by surprise.

ROXY
Well, my brother spoke to me and he particularly begged me to give you your job back -- he said that you're his friend. And me being me... I don't believe it, not even for a second.

YVONNE
Uh... I don't understand.
