

NICK MASEKO-KHUMALO (30). He's hardworking, always needs justification and isn't the most reliable person around. (Character must be 25 - 30)

The door opens - Nick enters; he looks at Naledi, curious.

NICK (CONT'D)

Babe, didn't you hear me talking to you?

Naledi turns her attention to Nick; she puts the shirt into the laundry basket.

NALEDI

Ke masoabi... u ne u re'ng?

NICK

I was talking about Annie.

NALEDI

What about her?

NICK

Was she here?

NALEDI

Yeah. Things got heated between her and Lillian.

Nick GROWLS softly, he leans on the wall and looks at Naledi.

NICK

Someone needs to talk to her.

NALEDI

Lillian?

NICK

No, Annie.
