

GRACE KHUMALO (27). She has a very small structure and she's skinny, she's ignorant and optimistic. (Character must be 25 - 30)

Grace is sitting down, alone and drinking wine. She is caught up in her thoughts. Gloria enters the room.

GLORIA

For someone who just had their dream interview, you don't seem happy.

GRACE

I am. You know... a lot of people said that the man wasn't nice. Yati, ngalendlela bantfu bebakhuluma ngaye... I thought that he was unbearable.

Gloria narrows her eyes, curious; trying to figure out where Grace is heading to and she's a bit concerned.

GLORIA

Bengingati kutsi umlandzeli wakhe lomkhulu?

Grace blushes as she looks at Gloria -- she takes a sip of her wine.

GRACE

I'd be lying if I were to say that I'm not a fan.

GLORIA

Mara...?

GRACE

(frowns/anxious)

Angati Gogo. He seems close to Roxanne.
