Introduction to Outdoor Leader Skills (IOLS) Training Course

The IOLS course builds and expands on the concepts and themes introduced in Scoutmaster Position-Specific Training and provides Scouters with the confidence to take youth into the outdoors. Specifically, this hands-on program gives adult leaders a practical introduction to the patrol method of a Scout-led troop by teaching many of the practical outdoor skills they need to lead Scouts in the out-of-doors. In addition, the teaching methods, activities, and games model the variety of teaching used in effective and engaging Scouting programs.

Why: IOLS is required training for all Scoutmasters and Assistant Scoutmasters. It is recommended for other adults who will be helping teach youth outdoor skills and interacting with the patrols.

When: All day Saturday, April 13, as part of the Massanutten District Spring Camporee. Check-in at the camporee on Friday night to either camp with your troop or individually.

Important Note: If you are attending with your troop at the camporee, your troop will need adequate adult leadership separate from those participating in the training.

Where: Tenth Legion Mt Valley Ruritan, 1037 Mauzy Athlone Rd, Broadway, VA.

Register: Contact Brian Walton (dbrianwalton@gmail.com) to indicate you will be attending.

Cost: Camporee registration is required. The course will have no additional fees.

What to Bring:

- Scouts BSA Handbook
- Personal camping gear (find the checklist in the handbook)
- In particular, the following items will be used as part of the training:
 - pocketknife
 - compass
 - matches and fire starters
 - backpack

Meals: You may choose to eat meals with your troop attending the camporee or to bring your own simple camp meals.
