

09-09-18 SPI – Feast of Trumpets - Rosh Hashanah – 5779

Opening - Word Vision:

The word: Angels releasing arrows into our hearts (mind, will, and emotions). They look like arrows but they are really scrolls. The Lord is releasing revelation into us to break us out of cycles we have been stuck in so that we will be released into the cycle that He is setting before us today.

The vision: I saw a cloud of arrows coming out of the clouds into every heart here. They are scrolls containing strategies and tactics the Lord has prepared for you this year.

Action/application: Intercession and fasting before Atonement will break the seal on the scrolls and the hammer to break the seal is fasting, prayer, and worship! Everything you need for the New Year has been given to you. It's already in you but you must pursue God for the unlocking of the vision He has for you this year.

Many here have been stuck in a cycles, patterns, and have never really entered into a true bonafide breakthrough, but this year is your year! Says the Lord.

It's your time!

Say - This is my year!

Special Thanks To:

Ken & Mary Bostrom of KBM
Pastor Roy Love & Praise Chapel Family
Worship Team
Shofar sounders
Flag & Praise dancers

Webster meaning: weaver

Nick name: Webb

Most common occupation for Webster Families: In USA was Farmer, Laborer, and Keeping House in 1880.

Webster's Dictionary: a real dictionary with real definitions –

Word for Roy Love & Praise Chapel: God is going to use Praise Chapel to bring definition to this region. The prophetic word will begin to go forth out of Webster, Texas to bring understanding to the State and to the Nation what God is doing in this day and hour. Get ready for the Apostles and the Prophets God is going to be sending back to this region with kingdom decrees! They are already scouting for the place they are to sow the seed of heaven to host the Word and the Glory they are being released to bring to this region. And I saw you like a donkey tied to a post. The Lord has had you tied to a post like the donkey and the colt of the donkey that the

Lord of Glory rode on when He entered into the city of Jerusalem. You have been chosen for such a time as this! Get ready because the Lord is about to untie you Pastor Love. You will be the symbolic release of Love that God will send into the rest of this nation to bring renewal, a new creation, a new wineskin for the outpouring that is about to be released. You are the vessel He has chosen and it is finally your time! The Lord said to tell you I have need of you! Be prepared to be loosed, untied, and released into that which I have told you long ago that I called you to do for this nation. The day has arrived and now you are going to fly! You are going to fly in the natural and in the spirit. I see angels catching you away. You gonna fly man of God! Many years ago William Seymour did a drive by on a train, but the Lord said to tell you, you are going to do flybys as God begins to send you back and forth across the nation to bring His message of Love, healing and restoration to the racial divide that seems to be growing out of control in our nation today, just as it was in the day of Seymour. In the vision I saw lines being drawn on a map of the nation back and forth as you went where the Lord sent you and it looked like a giant web over the United States. I heard the Lord say I will send Him as My vehicle of love into all the areas of racial divide and I will knit and weave this nation back together with My Love. I heard the Lord say get ready to host the Apostles and all the gifts of God and get ready to host a new contingent of the hosts of heaven here in this house. There will be so much interaction with them here in this house that it will be one of the things this place will be known for second only to the glory of the Lord that is going to manifest and remain in this house in ways not yet experienced here yet. Get ready for all the dishes in this house to be broken because He's setting a new table with new vessels and church as you know it is about to change and the people will say the Lord of glory is enthroned in the praises of His people at Praise Chapel and they will begin to come from near and far for a touch from God. Get Him praise!!!!

Ken & Mary Bostrom: Many are the afflictions of the righteous and the Lord calls you His righteousness. You have been through many afflictions natural and spiritual. The enemy has even used some close to you, trusted ones, who falsely accused you and tried to discredit you. The Lord is not only going to restore the damage caused to you and your ministry by them and their false words, but He will bring healing to you to break you out of a cycle that you did not realize it placed you into. The Lord is going to bring you into new networks and relationships that will catapult you to a new level and into "the" season of multiplication like you have never experienced. You will not only breakthrough, but you are about to break out and onto a scene that was not anywhere in the script God first gave to you when you first began. It was hidden from you to see if you would answer the call and persevere no matter what came your way. The Lord says great is your faithfulness. You are about to receive riches and treasures hidden for you for such a time as this. Change is coming that will facilitate the growth God has released to you. The Lord said to tell you, "Be fruitful & multiply! You are blessed of the Father!"

To the other Pastor: I saw what looked like the flood of Noah's day come to wash away all that God did not create and institute. God had to tear down and wash away what He did not create, but God has been building and planting. Actually, He has been building new, new structure on a new foundation. The old had to be done away with and some who were wash away had to be washed away. Don't try to hold on to them or anyone for that matter. God is going to build new

and gather new and faithful men and women to be joined with those who remained. You will see with your own eyes God will restore that which you think is forever lost and put you on track further along in the assignment God has given to you that you could have ever accomplished beforehand. You will far surpass the vision you previously were running with so do not attempt to pick up where you left off. It will not work nor flourish as it may have in the past so remember not the former things nor remember the things of old, for God is doing a new thing now and you must perceive it. He is going to make a way and bring you out of the desert and wilderness that you suddenly found yourself in. I saw you cast on the ground and suddenly fire ants came it seemed out of nowhere and covered you like a tallit, one on top of you and one under you. The ants began to carry you out of the wilderness and dessert you have been in. There are plenty of sinners for everyone, but God is not going to send just the sinners. These represent the people God is assembling for you and they are burning red hot with passion and zeal for the Lord and His kingdom...and they are laborers who you will not have to convince to labor in the vision of God with you. Your day of rest has come brother! Rejoice as the Lord's army will begin to manifest to you and carry you to the destination the Lord has determined for you. You have not failed, you will succeed and surpass that which you thought you were called to accomplish. Great is your faithfulness to the Lord and you will experience His faithfulness in a way that will transform you down to your very DNA! The faithfulness of God is about to overshadow you and shake you and all things concerning you to the very core of your being! You will experience a shift in the spirit that will leave you bewildered because you will be changed into another man. You will say, I was there, but then I found myself here, but I can't tell you how it happened for I don't know myself! Give Him Praise!!!!

Introduction:

Smashing Pillars International, what it is and who I am...

Exodus 23:23-24, just before that God gives the people instruction to observe the festivals three times a year. They are not festivals as in food and fellowship, although that does happen, but they are festivals to gather together to meet with the Lord. They are appointed times set by the Lord when He draws near to us to accomplish a specific work in us for that time and season of the year. With each feast He moves on a path to a destination that He intends to bring us into His glory at Tabernacles.

Feast of Trumpets is about sounding the shofars to call everyone to attention and for others it is a call to wake up! It is the time when at the beginning of the year when God is releasing fresh revelation for the New Year ahead, which is what Rosh Hashanah means – head of the year.

Ten days later is the **Day of Atonement**. The ten days from Trumpets to Atonement are called the Days of Awe. They are the High Holy Days of the year. The holiest days of the year. These ten days are a time for introspection and repentance for anything God was not pleased with in this year we are bringing to a close. The day of Atonement is the day He releases judgement for the past year and also blessing which will set the course for our New Year.

The days after Atonement lead us into the days of the **Feast of Tabernacles**, where we enter into the glory of God and celebrate with Him as He comes down to tabernacle with us in His glory and majesty.

The Feast of Trumpets is all about releasing a call to the people of God to pay attention, to wake up! God is about to reveal and release His blessing and revelation for the New Year that will take us higher and bring increase in more ways than just money and material things.

2004 in Tampa, Florida – I hear a teaching on First Fruits – the feast of the Jews?

Story: God spoke to me just before the time I went to Israel. I was still working for Waste Management at the time, 2012. The Lord said, I want you to read Acts 29. I was on the phone with a customer at the time. Then the Lord said two more times, Read Acts 29. I stopped and walked over to my prayer room. Opened my Bible to Acts 29. Hey! There is no Acts 29 only Acts 28.

Then I saw a vision of an open Bible to Acts 28 on the left and on the right a blank page. Then I saw writing being written by the finger of God that said Acts Chapter 29, the acts of the Holy Ghost through the life of _____. Chapter 1:1...

It is time for the church to return to her roots...her Hebraic heritage. I am not speaking of the Hebraic Roots teaching. The first century church walked in these truths until about 300AD.

I have to lay this out quickly before I speak to Trumpets because that is why I am here, but I have to lay this out for those of you who are just entering into the feasts of the Lord for the first time. I want you to know that you are hearing from God. Do not let anything or anyone turn you from this because God is about to break you out of the cycle of death and defeat that has been the hallmark of your walk with God until now.

I want you to know something that God is going to do with many of us this year. He will take you back to a place where you allowed a curse to come in. He may even take you back to that place physically.

Checked into hotel. Guy at front desk must have been an angel. I walked in. He had his back to me when I walked in. He was tying two clear waste bags with dirty clothes in them. He turned to me and said, Hello! I said, I am here to check in. I am Samuel Ramos. He said, yes! You are and we have your room waiting for you! Weird.

This hotel was the kind of hotel I used to stay in when I was addicted to drugs years ago. The Lord took me back to the place in time to deal with a door of trauma that was opened then. He said he waited until now to deal with it so that I would bring this fresh word to the people in the meeting tonight. God is going to take you back to a time where you opened a door to a cycle the devil has kept you in year after year, but this year the Lord will close that door and put you into His new cycle of blessing for you. You will be turned into another person this year.

What the Lord dealt with in my life and will do the same for many this year: Trauma experienced during that season allowed spirits to come in and attach themselves.

Funny story: The Lord told me after my first trip to Israel in 2013 that He wanted me to research my DNA and family ancestry because one day I would live in Israel. He said I would be pleasantly surprised who I am related to. Wow! I am probably Jewish! I discovered nothing Jewish in the tests I took nor in my family research. Then I received an updated report that said I was 1% Ashkenazi Jew. Woohoo! After more research I found that the Ashkenazi Jewish bloodline is traced all the way back to Noah. A direct blood relational to Noah! I'm related to Noah! I'm special!

Hey! Wait a minute! We are all related to Noah! God wanted me to discover my spiritual DNA not physical DNA. God wanted me to discover my Hebraic Heritage, not a Jewish heritage, although my Jewish heritage is included.

The Lord said He is breaking many out of cycles of defeat and lack that has kept us from experiencing true breakthrough. This year He will bring us all into a cycle of blessing and increase, but we have to choose to walk in it.

It is the glory of God to conceal a matter and the glory of kings to search out a matter. Psalm 25:2

The Bible is full of cycles and patterns. It is how God operates and he lays them out in the Bible to reveal the secret things to us.

The first time it became clear to me that God worked in patterns and cycles was through Genesis 8:22:

“While the earth remains,
Seedtime and harvest,
Cold and heat,
Winter and summer,
And day and night
Shall not cease.”

These are all cycles and patterns that God says shall not cease while the earth remains. They are the key to God's system for blessing. They are also cycles that display God's creation and His glory. When we follow this pattern of cycles God laid out for us it leads us to greater revelation of who He is and who He created us to be.

Because cycles are moving systems the cycles of God has a purpose for our lives and that purpose is to lead us to a specific destination every year and that is into deeper realms of His

glory and revelation of who His is. We experience Him every year in ways that we have not previously.

The cycles are also known as the feast. Most know them as the Jewish feasts.

Leviticus 23: (1) And the LORD spoke to Moses, saying, (2) "Speak to the children of Israel, and say to them: 'The feasts of the LORD, which you shall proclaim to be holy convocations, these are My feasts. (4) 'These are the feasts of the LORD, holy convocations which you shall proclaim at their appointed times.

(14) it shall be a statute forever throughout your generations in all your dwellings.

(21) It shall be a statute forever in all your dwellings throughout your generations.

(31) it shall be a statute forever throughout your generations in all your dwellings.

(41) It shall be a statute forever in your generations.

Convocation: *miqra*, a sacred assembly, basically a dress rehearsal

Appointed times: *mo'ed*, the plural is moadim – set times

These are God's holidays (holy days) when we are to assemble on the days that He set on his calendar, which is Hebraic and not our western Gregorian calendar.

We assemble not to feast as we would for our Thanksgiving or Christmas Day holiday dinners. We assemble because God said if we would be obedient to observe His feasts on He set times He promised to visit us. He draws close to us during these set times to accomplish a specific work during each of his feasts.

In Exodus 23 the Lord three times a year we are to observe the feasts which are really a cluster of feasts.

Passover – Passover, Unleavened bread, and First Fruits

Pentecost – Wheat harvest, Torah (Word), and Holy Spirit

Tabernacles – Trumpets (Rosh Hashanah), Atonement, and Tabernacles

During each feast God draws near to us to accomplish a specific work.

The pictures in the feast:

Passover – Firstfruits: Redemption & Cleansing; the feast of deliverance

Pentecost – Wheat harvest or provision, daily bread to walk in your new nature, Law (Torah – teach, guidance, instruction), Holy Spirit – the new man, new creation

Tabernacles – was all about God's people in the wilderness dwelling in tent/tabernacles and God had them build one for Him and He came down in all His glory and dwelt among them.

You see a process or a cycle that God takes us through every year that leads us into a greater realm of His glory and a new cycle of blessing for the New Year. This pattern is also a picture of God's ultimate process of redeeming mankind to Himself.

Every year God wants to make sure we are thoroughly washed by the blood and cleansed of all impurity. This produces faith in us to lay hold of the provision and blessing He has provided for us enabling us to move into His presence and a great experience of His glory and majesty.

This is the cycle God wants to take you through every year. If you will follow this path you will experience increase and blessing year after year. You will go to a higher level of blessing with God every year because these are also His cycles of creation. Cycle of blessing, growth, and increase.

Welcome to the family! God brought you in just in time to enter into a new cycle of blessing just like the labors who were hired at the last hour by the landowner to labor in his field. They were paid the same wages the guys were paid that worked the whole day. Matthew 20:1-16

John 4:34-38 – You will reap that for which you have not labored; others have labored, and you have entered into their labors.

God is going to do a quick work in you and equip you to be a soul winner. And you will have testimonies to use as the fishhook to be a fisher of men.

The enemy uses cycles also. Cycles of violence, destruction, and defeat and every year if we continue in those cycles we just go lower and lower. Unrepented sin, rebellion, and unbelief of some of the things that will open a door to the enemy to keep us in these cycles until total destruction, even death is accomplish. Wages of sin is death. If we do not repent of past sins we will tend to keep repeating them over and over.

How a cycle of defeat can begin through sin or unbelief: Israel's sin at Kadesh Barnea (Numbers 10:11-14:45).

They refused to go into the land that He promised them on the day God told them to. Then they never really repented of it. This opened a door to a cycle of defeat that opens over them every year. This took place on the 9th of Av. Every year a window of destruction opens over them.

Historic events (tragedies) of the Jews:

Av 9 – 587 BC Babylon destroys Solomon's temple

Av 9 – 70 AD the Romans destroy the 2nd temple

Av 9- 135 AD Jews final defeat by the Romans

Av 9 – 1095 thousands of Jews are killed in the 1st crusade

Av 9 – 1290 England expels the Jews

Av 9 – 1492 Spain expels the Jews

Av 9 – 1942 Jews are deported from Warsaw

Av 9 – 2005 expulsion from Gaza begins for Jews living there

This cycle began on the 9th of Av at Kadesh Barnea when they refused to go into the land. They came back the next day and said to God they would do it, but it was too late. That window of opportunity had already closed and the next window didn't open until 40yrs later.

Feast of Trumpets, Atonement, and Tabernacles in the new year of 5779

Notes on Hebrew letters Ayin & Tet by Janice Sturkie.

Ayin

Numeric value – 70

Pictogram – eye

Symbolic meaning – to see, to understand, to experience, to be seen

Sound – in modern Hebrew it has no sound

The letter ayin signifies perfect spiritual order and significance.

The letter ayin signifies perfect spiritual order and significance. It's numeric value is 70. This number is said to be "critical in the turning points of history". So, let's look at the uses of the number 70 for a moment: God, who has 70 Names, gave the Torah, which has 70 names, to Israel, which has 70 names and which originated from 70 people who went down to Egypt with Jacob, and was chosen from among 70 nations, to celebrate 70 holy days in the year (52 Sabbaths and 18 festivals). The Torah was transmitted to 70 elders, and safeguarded by the Sanhedrin of 70 sages, who were called, the eyes (ayin) of the community, denoting the intelligence and integrity of the leadership. There are 70 facets to the Torah, which was translated into 70 languages to make it understandable to the 70 nations, and was engraved on 70 stones after Israel crossed the Jordan on their way to the Holy Land. In the Holy City of Jerusalem, which had 70 names, they built the Temple, which had 70 pillars. There, on Succot, 70 sacrifices were offered for the sake of the 70 nations of the world who have 70 representatives among the heavenly angels. Critical in the turning points of history? After the Flood, 70 nations descended from Noah, 70 languages emerged at Babel; the Jewish nation began with the 70 people who came with Jacob to Egypt (Ex. 1:5) and in the World to Come, the 70 prime nations will recognize The One True Living God, the One and Only God and the Ruler of the World! King of Kings, Lord of Lords, Yeshua HaMashiac! We are now moving into the Biblical year 5779 – the last year of the 70's. We crossed a critical turning point in history in the year 5770. The sons of Isaachar are arising who will discern the hour in which we live and do exploits for our God, by His "ayin" (understanding). Isaiah 11 tells of the seven-fold spirit of God. Along with wisdom comes 'ayin'...understanding. We must, like the sons of Isaachar, understand the times in which we live and accurately interpret the divine will of God. He gives us the Holy Spirit and His Word.

Tet

Numerical value – 9

Pictogram – A snake

Symbolic meaning – to surround, coil, twist, muddy or unclear, a serpent, sin BUT it can also mean "good"

Sound - T

The first “j” that appears in the Torah is in the word “tov” (Gen. 1:4) which means good. The letter “tet” is a symbol for goodness.

God Himself is the essence of all that is good. When He created the world He pronounced judgment on His creation. “God saw that it was tov (good)!” When man follows the guidelines set by the Creator, the world remains good and even when man sins, God gives him the opportunity to change by granting His gift of repentance. That God accepts repentance is an act of supreme goodness. Through Yeshua’s sacrifice God can accept our repentance as if the sin had never been done and we are given the chance to turn misdeeds into acts of loving kindness.

This teaches that there is no place for anything muddy or twisted or unclear in our relationship with God, nor should there be with God’s people. When the scribe asked Yeshua, “what is the greatest commandment?” He answered, “The Shema...Hear O Israel, the Lord our God, the Lord is One. You shall love the Lord your God with all your strength. And the second is like it and is this... You shall love your neighbor as yourself. There is no other commandment greater than these.” (Mark 12:28-30). Yeshua put as great an emphasis on our relationships with one another as He did our relationship with God.

Feast of Trumpets (Rosh Hashanah):

Tishrei 1 on the Hebrew calendar – 1st day of the Jewish civil calendar
Represents a type of New Year Day in Jewish culture

Before the festivals were given at Mount Sinai, they are mentioned in the story of creation.

Genesis 1:14-15: And God said, "Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years, and let them be lights in the expanse of the heavens to give light upon the earth." And it was so.

It would be rendered: “And let them be for signs and for festivals, and for days and years.”
This means the festivals of Israel are first introduced and alluded to in the story of creation...and then later committed and entrusted to the Jewish nation.

They contain universal truths and applications for all mankind to celebrate, and were set up by God to be holy appointments with His people from the beginning of creation.

Genesis 1:27: So God created man in his own image, in the image of God he created him; male and female he created them.

Jewish tradition teaches the creation of Adam and Eve on the sixth day took place on Rosh Hashanah. The world was created in the month of Tishrei the “birthday of the world”

Cain and Abel were both born on Rosh Hashanah

Noah was born on Rosh Hashanah

The waters of the flood dried up and Noah uncovered the ark on Rosh Hashanah

Miraculous conceptions: Sarah, Rachel, Hannah, and Leah were all visited on Rosh Hashanah and it was decreed that they would become pregnant. They were all barren. Pharaoh had his dream on the eve of Rosh Hashanah and Joseph interpreted them on Rosh Hashanah.

The Feast of Trumpets is a time to consider the sins of the previous year and repent of them before the arrival of the next Feast, the Day of Atonement.

The ten days between the Feast of Trumpets and the Day of Atonement are known as the Days of Awe or the High Holy Days.

Feast of Trumpets also known “The Day of the Sounding of the Shofar” or Yom Teruah. Teruah translates to an awakening blast; a shout.

Rosh Hashanah means Rosh (head) Hashanah (year) – head of the year

It is also known as the time “Gate’s of Heaven Opened”

The Wedding of the Messiah

Known as the Hidden Day because much about this feast is concealed, shrouded in mystery.

The Day of Atonement – the most solemn and important day of the year focusing on atonement and repentance. Jews traditionally observe this day with a full day of fasting and intensive prayer.

The Day of Face to Face with God – a picture of the future return of Christ.

The Great Day – Jesus proclaims a Jubilee when He returns which can only be proclaimed on the Day of Atonement at the Second Coming of Christ.

The Closing of the Gates - the Feast of Trumpets is known as the time with the gates of heaven are opened, but the Day of Atonement is known as the time when the gates are closed. It will be too late to accept Messiah on the actual Day of Atonement – all opportunity has passed.

Feast of Tabernacles – God Himself comes to tabernacle with man once again on the earth.

The Word of the Lord for 5779 through a dream.

08-28-18 Dream – I got a new rifle

Woke up from dream at **4:44 AM**

I was talking to someone I knew about a new rifle I had just gotten. He noted the rifle was kind of small. I explained that it was like the rifle the television character The Rifleman had in his show. It had a big loop where the trigger was to make it easy to fire. I opened the chamber to show him the shells. They were 12 short shotgun shells that were yellow and brass. The rifle

being small was misleading because it was a very powerful rifle with unique abilities, I told the guy. One thing that was different about mine was that it had Wi-Fi capabilities so that I could access the internet! I attempted to demonstrate it but I didn't know how to use the feature yet because I had just gotten the rifle. Then he mentioned his wife to me and I said I would like to meet her. He told me that I had already met her previously. I was embarrassed and surprised. I said, really? Dream ends.

The Lord said the wife that I met before but did not remember is the first century church that today's church is about to be reintroduced to! Hey!

The rifle being Wi-Fi capable simply means it represents it is a supernatural weapon. The 12 shots represent 12 spiritual goals God intends to accomplish in this cycle of blessing for His people. That's what a rifle represents: a goal you have set your sights on; hitting the mark; focusing on reaching a high distant aspiration; to sort through a lot of information or thought processes.

The Rifleman show is a story about a Father and son. This is the year God intends to Father His sons/daughters personally. The television show centers on the father teaching his son to live right, make right decisions in life, do good even when no one's watching. The main lesson that is woven throughout all the show's stories is simply this: **Everyone in life deserves a second chance.**

*Chuck Connors 44-40 Winchester rifle from the TV show The Rifleman is a modified Winchester model 1892 that is able to fire when the lever is closed after a round has been chambered, which enabled him to rapid fire the rifle without having to finger depress the trigger. The rifle was an [anachronism](#), as the show was set 12 years before [John Browning](#) designed any such rifle. While the show had realism, it was not 100% accurate. This was TV after all. One of the major anachronisms was the rifle itself. McCain toted a nifty modified Winchester Model 1892 with a big ring lever, which allowed him to cock the gun by spinning it in his hand. Connors was **left-handed**, by the way.*

Anachronism is from Greek meaning ana "against" or khronos "time".

Prochronism is from Greek meaning "before" "time"

*The rifle in The Rifleman is such. It was in the show 12 years before it had actually been created. It held 12 shots of the **.44/40 W.C.F.** (Winchester Center Fire)*

Interpretation:

I have received a new spiritual gift/weapon that is available to the believer in time in the future. It should not be available today but by faith it can be pulled from the future into this day and time.

#1 – This is the year God will tabernacle with you in such a way that you will walk in a new dimension of a Father and son relationship with him.

#2 – This is your year you get a second chance.

#3 – God is going to clean you out this year! This is the year you are the burnt offering offered to God. Your Isaac moment has arrived. This is the year you will stay in your place with God. This is the year you will not return to your sin, place of comfort, the way you have always done things, etc..... The story of the binding of Isaac is traditionally read on Rosh Hashanah –

- Genesis 22:2 And He said, "Take your son, your favored one, Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering on one of the heights which I will point out to you."
- Jasher 23:61 And Isaac said to his father, Bind me securely and then place me upon the altar lest I should turn and move, and break loose from the force of the knife upon my flesh and thereof profane the burnt offering (of the Lord); and Abraham did so.

#4 – This is the year you will experience God's crowning achievement in your life personally. This is the year others will look to you for the example of God's goodness and abundance. This is the year you will look back and say, that is when God changed everything.

#5 – This is the year that you will seem to have come out of nowhere. You were here one day and the next you were up there. I don't know how I got here. I just know the God did it. The outcast about to be cast back in. Restoration is coming to you this year. This is the year God will bring you out of obscurity.

#6 – The Lord during this meeting that many would realize they missed windows of opportunity and fear not being blessed in this New Year. Fear not! You are going to get what you do not deserve! Remember to bless the Lord and walk with Him this year. Do not return to the world!

#7 – You will be coronated with a crown of authority to rule and reign here on the earth to occupy until the Lord returns. You will co-labor with angels and know it. You will know and discern when angels are present for a specific assignment and your faith will prevail to accomplish all the Lord is calling you to accomplish this New Year. This is the year the sons of God are going to begin their revealing. This is the year the people will know God more intimately than man has ever known God. You will begin to grow strong this year to conceive and do great exploits for God!

#8 – This year the fire of God will come upon every vehicle you have mastered and become complacent in to cause you to come out of your complacency

#9 – This is the year your nature will take on the characteristic of an intercessor. God is supernaturally going to transform you into a person of prayer and a person of faith, faith that prevails over the many trials coming our way this year.

#10 – Supernatural gates will be opening this year and closing this year. As we learn to co-labor with angels through intercession we will navigate through the opportunities God is going to present to His body this year. Word for 2018

Let not your heart be troubled. 2018 will be another year of great potential for the Church and for the Believer. During intercession today the Lord spoke to me and said 2017 has been designed to purify and equip His people to overcome the many trials and tests coming to America and the world. The war in the heavenlies will spill over into the natural, but let your heart not be troubled. This will be the year that many who have been in the furnace of affliction designed to purify and remove unrighteousness in the mind, will, and emotions and who have persevered, these will become a type of Goshen. In a time of what seems to be total chaos and lawlessness, God will reveal His end-time Josephs to be favored by the Pharaohs of the earth. When the shaking begins and the world body governmental structures begin to stall and even fail, God will begin to prosper and favor His people in ways that cannot be framed nor contained alone by finances and material things. God's people must begin to be motivated and moved by things beyond the things of this world. Windows of opportunity will present themselves for God's people to expand their territories in all realms and fields of industry and in doing so establish a greater degree of the realm of the Kingdom of Heaven here on earth. Angels of dominion and power will be released in 2018 to link arms with faithful and faith-filled believers who will receive the mark of the Father's command to be blessed, to be fruitful and to multiply on the earth. This will be a year of great, and at times, intense dimensional battles, but the victory has already been written and declared from heaven! Cry out to God and give Him no rest until He reveals His strategy for you to obtain your victory this year, stay focused and let nothing distract nor discourage you in 2018. If you hear and obey, then you will see and know the strategy of the Lord for 2018 and you be a carrier of many miraculous works that Yahweh will perform to distinguish His people from those in the world. Yield without measure in 2018 and you will see God move in ways you have not known until now. Great and mighty are His works prepared for you. You are the people of God. Amen and amen.

#11 – This will be the year God’s people will begin to dominate the Jezebel spirit in the church. They will begin to overcome her heresies and a great awakening will take place. The prison doors of this religious high priestess in the church are about to be flung open by the angels of God. Let the purge begin! Many this year in the church will be shaken out of their satanic induce spiritual coma! A shift in the body of Christ will take place because of the people who were sleep will now be awakened. I was blind but now I see and must flee this house of abominations to the house of prayer for all nations. I saw angels in Houston and the surrounding cities marking the door posts of churches with the blood of the Covenant. These houses will become spiritual thresholds for many to enter into the covenant promises of God this year.

09-05-18 Prophetic word: *This morning I saw angels released throughout the city of Houston. They began to mark the doorposts of churches throughout the city and the churches surrounding areas with the Blood of the Lamb. The Lord then said there is a siege that is being planned by the enemies of truth. They know that Texas is about to strike oil again and the outpouring once delayed but not denied will begin to manifest and be released into the rest of the nation. The enemy has already planted his tares in the churches who the Lord calls deep hibernation. He likens them to terrorist sleeper cells that will be triggered and germinated when the outpouring begins and they are hybrid-nations. They will be allowed to rise and sow deception into the fields where they are planted. They will look like God, act like God, talk like God, but they are not God. They do not have the Spirit of God in them. They are twice dead. They will attempt to defile, defame, and even deny that the harvest is ready, but will be swept away by the very harvest they deny. In the reaping of the harvest, they will be separated and cast into fires by conflict to be an example to all who would practice their abominations sacrificed on My altars. These are the days of Ananias and Sapphira. The churches that received the mark are the churches that have been sealed from deception and who have found My Covenant Threshold. The churches which have not been marked will be the churches on the national news faking the move of God with doctrines of demons, but by the time this comes to pass My people will have been well trained and equipped to know and discern fake news, fake prophecies, fake doctrines, and fake outpourings when they see and hear it. I have been using the fake in the natural to prepare them for the fake that will begin to manifest. They are lying signs and wonders. My sheep will begin to be known for their bite! I will put My words in their mouths and they will be known for the conviction their testimony brings to the hearts of the lukewarm and the unrepentant. My words in their mouths will bring the true fire of the Holy Ghost and hearts of the lukewarm and unrepentant will be like wood and the unholy and profane in their lives will be consumed. With stinging words of truth and the love of God, many will be saved because the truth, no matter how painful, will set many free to see and know they have believed the lie. Many will be wounded and bruised by God this year, but then God will bind and make them whole. This is the place where the Blood of the Lamb is found on the doorpost of the church. Happy is the man who finds this congregation! It is the place where he*

will truly meet with the Almighty face to face! Houston, imminent is your visitation! Wake up! Wake up! Wake up! Or be swept away in the day of your visit! Job 5:17-27 Jeremiah 5:14, 21-31

#12 – This is the year God is going to birth spiritual Trumps in the church to dominate the spiritual realm as He used and is using Trump to dominate in the natural.

Dreamed 12-06-2016, I saw Trump breaking up the political system and corrupt government structures. He took a sledge hammer, which represented the prayers of the intercessors, and swung it over and over, and with it, he struck the Whitehouse, Congress, Supreme Court, Banking System and New York Stock Exchange. From there he went global and his path of destruction led to the nations. He was doing all of this parallel to a mirror that went along the path the Lord has released Trump on...and he was on a mission! Then I noticed that Trump's reflection in the mirror was out of sync with him and seemed to be on a time delay...at least 20 seconds. It was a very odd thing to see. Trump was well into his assignment, but his reflection in the mirror stood still and seemed to be asleep. I became disturbed and angry as he slept. Then I heard a voice say – Wake him up! So I yelled – Hey! Wake up! Then his reflection in the mirror began shaking until he was awake. His reflection began breaking, smashing and destroying and still seemed to be on a 20 second delay, but was quickly catching up. Then he was only 5 seconds delayed and quickly catching up. I saw Trump's reflection in the mirror relentlessly, and seemingly without effort, breaking, smashing and destroying the systems of government contrary to the government of the kingdom, and they were broken and shattered to pieces. He never once lifted his head, but kept his eyes on the handle of the sledgehammer the entire time. End of dream.

#13 – This is the year God begins to meld your hearts with Israel and the Jewish people. If you do not love the Jewish people and the Israel then you are disconnected. God is going to show you how He is not going to do away with America, but He will join America and Israel in a way that the two are not unified today. It is out of the furnace of affliction God will bring the two out as the One New Man because He has called us to walk with them to the beat of the same drum.

Portions from prophetic word: 01-20-17 Inauguration Day MAGA: And then I saw another shepherd, and he came upon the scene from a place shepherds do not come from, but the Lord said, "I do whatever I want to do with what is Mine! What is it to you if I desire to give this one the Shepherd's Rod and Shepherd's Staff?"

And then I saw two hands come together, one from this land and one from the other land where I stood at the same time, and the two came together and agreed and nothing became impossible for them, for the two walked in agreement because they marched to the beat of the same drum because the Lord put the same heart in them, and whatever they set their hearts to do they were able to accomplish, for the righteous were in them and they flourished in all things. And I heard a voice say to the one hand that reached to take the hand of the land where I stood, and it cried out with a loud voice, "Do not forget Jerusalem!" And the hand declared,

and did not deny, but declared, "Jerusalem shall not be moved and shall not be forgotten, lest I am cut off from her grip!"

Materna – this tune is the setting for both “O Mother Jerusalem” and “America the Beautiful”

First, an old hymn “O Mother Dear, Jerusalem”

- It was written by David Dickson (1583-1663)
- It is a song based on scripture, *"He...showed me that great city, the holy Jerusalem, descending out of heaven from God"* (Rev. 21:10)

Second, is an American patriotic song, “America the Beautiful”

- It was written by Katharine Lee Bates (1859-1929)
- She originally wrote the words as a poem, “Pikes Peak” first published in the Fourth of July edition of the church periodical *The Congregationalist* in 1895. At that time, the poem was titled "America" for publication.
- In 1893, at the age of 33, Bates, an English professor at Wellesley College, had taken a train trip to Colorado Springs, Colorado, to teach a short summer school session at Colorado College. Several of the sights on her trip inspired her, and they found their way into her poem, including the World's Columbian Exposition in Chicago, the "White City" with its promise of the future contained within its alabaster buildings; the wheat fields of America's heartland Kansas, through which her train was riding on July 16; and the majestic view of the Great Plains from high atop Zebulon Pikes Peak.
- On the pinnacle of that mountain, the words of the poem started to come to her, and she wrote them down upon returning to her hotel room at the original Antlers Hotel. The poem was initially published two years later in *The Congregationalist* to commemorate the Fourth of July. It quickly caught the public's fancy. Amended versions were published in 1904 and 1911.

Thirdly, is a song titled, “Materna”

- Written by Samuel A. Ward (1847-1903)
- The tune itself was written in 1882, which he intended as a setting for the hymn "O Mother Dear, Jerusalem."
- It was published ten years later in 1892
- Later still, in 1910, after Ward had died, the tune was combined by a publisher with the Katharine Lee Bates poem "America," itself first published in 1895, to create the patriotic song "America the Beautiful." Ward never met Bates.

It is the same tune that both songs, “O Mother Dear, Jerusalem” and “America the Beautiful”, are sung with. In other words, they both march to the beat of the same drum, as the Lord said, I will bring the two together and form the one. The Lord bless you as you pray for American and Israel.
