Dear Prospective Client:

The Attached Client Information Form is for prospective Clients to complete prior to their first visit with me about their case.

Please complete as much as you can before we get together to discuss your case. If you don't have all the information, don't worry, we can get that later. Just use your "best guess" where applicable. If some part of the form does not contain enough fields for you furnish all the information requested, just add that in the comment box at the end of the document.

I really do appreciate you completing this form prior to our visit. It helps a lot to have this already done, and I don't have to spend so much time writing things down, and hoping I can read them later. Grin

Please email it back to me prior to our visit if you can, otherwise, print, and bring a copy with you.

I look forward to meeting you soon.

Gary J. Dean, Attorney
