

Healing with Numbers: Divine Healing Codes

These codes are quantum healing tools that are safe to use on everything and everybody, and have no side effects. Since they are quantum, the intent and the energy of the person using them has a little bit of 'effect' in how powerful they are going to be when they are used.

In the hands of someone with a powerful heart energy—which has more to do in your strength of purpose and your ability to be actively involved in your Life's Mission and connected to source than anything else—they will work.

Instantly.

For example, my son had an insect sting on his nose yesterday at a picnic. I gave the code for insect sting to my friend, the mother of another classmate, by text. She gave it him. And he wrote it in the air over the sting. Five minutes later, he was playing, pain free. And I couldn't see the mark of the sting when I picked him up from school twenty minutes later.

With lower energies they still are effective, but perhaps not as dramatic in their results.

HOW TO USE THE HEALING CODES?

Know that they will improve with practice in their use.

The spaces between the numbers are IMPORTANT—be sure to copy them exactly as written for them to work.

There are three ways to use the codes:

1. Write it on the part of the body, or on a sticker and stick it on the body anywhere in the aura.
2. Write it in the air over the part of the body
3. Pull up anything that has the numbers on it online, on your phone or tablet, make the number big on the screen, and hold it over the body part or food item you wish to apply the code with the intent to use it.

It is your practice, skill, desire, intent, and trust that will make the difference in the Healing going from THEM through you and your aura to help what you desire to be fixed.

There is also a powerful influence of the energies that are on Gaia at this time, they have not been this high since the days of Atlantis and Lemuria—think of it as an ‘Energy Soup’ which provides the essential healing energy for these codes to work, too. The higher the vibration, the better these codes are going to work, in every way.

CAN THE HEALING CODES BE COMBINED OR REPEATED?

Yes. There is no harm in mixing these codes. They can be used as often as desired to achieve the result you seek.

WHAT IF THE HEALING CODES DON'T APPEAR TO WORK?

This is energy healing. It is like Reiki. Reiki always helps and has no side effects. However, healing can take place on deeper levels than what meets the eye. Illness is the result of an energy imbalance that is very difficult for most people besides psychic healers to see. When the imbalance is not corrected, it manifests in the physical body. So remember when you are using energy medicine, the healing goes to both the underlying energy imbalance and the physical. Sometimes the physical heals first, like in my son. Sometimes the deeper healing takes place. Either way, healing is happening, and you will have to trust in it.

DO THE HEALING CODES REPLACE DOCTORS?

Perhaps in the times of Lemuria and Atlantis they once did. However, today, with illness, there is a trend towards healing that I call 'Whatever Works!'—or 'Take The Best And Leave The Rest'. Dr. Masaru Emoto, a wonderful healer, insists that all his patients continue their standard treatment, and his water 'balancing' energy healing is a layer that goes along with it. This is what I recommend to you—think of these codes as powerful 'layers' to add to your over all healing—much like the Reiki I give to my patients in the O.R. during their surgery. Remember that medicine, and medical intuitives, are also the ones that give the diagnosis and the treatment plan. They are familiar with disease and its natural progression. It is good to have someone with this knowledge to track your progress, and perhaps, see the miracle of the healing codes directly through their result on your efforts!
