

Books and Backpacks For Belize!

The schools in the San Pablo village in Belize lack basic school supplies, including books, backpacks, pencils, notebooks, and crayons.. A group of students have organized a donation drive to send to schools in Belize.

Bring all **gently used picture books and backpacks as well as new crayons, pencils, and notebooks** to a labeled box at your school **until August 3rd.**

Our only requirements for the backpacks are for them to be cleaned out and functional (including working zippers). We will accept all picture books that are in usable condition.
