For every person, adult or child, who completes the bicycle ride from the Covington Trailhead to the Abita Trailhead on the Tammany Trace, local business sponsors will donate $15 per person, 100% of which will go to the Miracle League Northshore for completion of the Miracle Field, a wheelchair accessible sports field. Please check in at the registration table at the Covington Trailhead before setting out for the Abita Trailhead. When you arrive at the Abita Trailhead, please check in at the finish line table to ensure that you are counted as a finisher for total funds to be donated. There is no cost to the rider – although donations to the Miracle League will be accepted.

Please be aware that every rider participates at his or her own risk. Neither the Tammany Trace nor the Abita Trailhead Museum will be held responsible for any injury or damage sustained during the ride.
