

*Southeast Asia
is
a food lover's paradise*

*An enticing and heady mix of the subtle and spectacular.
The food is a delightful artform - tastes mingle with rich complexity,
and the presentation is a feast for the eyes.
Southeast Asian cuisine is a glorious blend of red seething curries that
evoke memories of exotic India and Thailand and cool green vegetables
that hint at the mysterious heart of the equatorial rain forests.*

*The region stretches from India in the east to Southern China in the
west, and encompasses Burma, Thailand, Cambodia, Laos, Vietnam,
and the island archipelagoes of Indonesia, Malaysia,
and the Philippines, with all their rich and intriguing flavours.*

*Mixmoon is a foray into an exciting new world of exotic tastes and spices.
Owner and Chef Vut has more than 20 years of experience in creating
and experimenting with South East Asian Cuisine.
It has always been his dream to open a restaurant that
caters to all that the region has to offer.*

Come in and be transported to another world.
