

Rebel

What keeps you up at night?
What makes you sick inside?
Rebel

What makes you run and hide?
What makes you want to die?
Rebel

What keeps you lyin' here
Tradin' in truth for fear?
Rebel

What takes the stars away?
What darkens every day?

I will rebel against the voices inside of me
I will rebel against the lies I still believe
I will rebel against all the ways I still deceive
I will rebel

What makes you feel alive?
What says it won't survive?
Rebel

What do you know is right?
What's holding back the fight?
Rebel

What fills you up with rage?
What do you call a cage?
What's standing in the way?
Rebel

What words are hard to say?
What takes you hope away?

I will rebel against living my life by a list
I will rebel against trading myself for a kiss
I will rebel against forging my mind to a fist
I will rebel

We've been held down for too long
Wearin' chains that don't belong

What makes you feel alive?
What do you know is right?
