

Stones from the River

What is the name that you were given at birth?
What is the name that you were taught and learned?
What is the name that you think you deserve?
What is the name that you were given at birth?

I'm tellin' you now, your new name is "Beautiful," new name is "Beautiful"
I'm tellin' you now, your new name is "Wonderful"
It is "Loved," it is "Loved," it is written in stone, I'll let it be known
Loved: your new name is wonderful

What is the name that you should not have heard?
What is the name that you were taught and learned?
Is it stupid? Ugly? Evil? Worthless? Waste of time? No child of mine?
What is the name that you should not have heard?

I'm tellin' you now, your new name is "Beautiful," new name is "Beautiful"
I'm tellin' you now, your new name is "Wonderful"
It is "Loved," it is "Loved," it is written in stone, I'll let it be known
Loved: your new name is wonderful

Come to the River with me
Come to the River and see
Pick up a stone with a new name for only you to know

Come to the River with me
Come to the River and see
Pick up a stone with a new name for only you to know

Come to the River with me
Come to the River and see
Pick up a stone with a new name for only you to know

It is "loved," it is "loved," it is written in stone, I'll let it be known
Loved: your new name is wonderful
It is "loved," it is "loved," it is written in stone, I'll let it be known
Loved: your new name is wonderful
