

What is CCI?

The Cleveland Central Intergroup of Overeaters Anonymous is the service body that provides overarching's broad services to local meetings and members. It also acts as the liaison between the local groups and OA service bodies at the Regional and World Service levels. CCI's purpose is to offer support, disseminate information and to serve the OA groups throughout the Northeastern Ohio area that affiliate with CCI.

What is our goal for the year:

- ⇒ To bridge the disconnect between CCI and the fellowship.
- ⇒ To have a physical presence at our meetings.
