5 FUN TORTOISE FACTS!

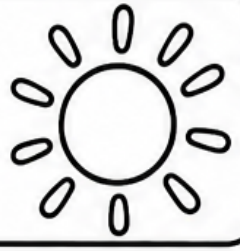

1. Super Shells!

A tortoise's shell is part of its skeleton, so it can never leave its shell!

2. Sunshine Lovers!

Many tortoises bask in the sunshine to help keep their bodies warm.

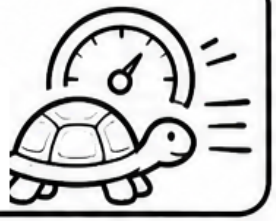

3. Birthday Champions!

Some tortoises can live for over 150 years!

4. Slow and Steady!

Some giant tortoises have been recorded moving at less than half a kilometre per hour!

5. Super Strong!

Tortoises have strong, sturdy legs that help them walk, dig and stay steady on uneven ground!
