5 FUN GIRAFFE FACTS!

1. Power Nappers!

Giraffes often take tiny power naps lasting just a few minutes!

2. Super Tongues!

A giraffe's tongue can grow up to **50 centimetres long** and is usually dark purple or blue!

3. Amazing Eyes!

Giraffes have incredible eyes! They are very large and help them **see far away**, even over the trees!

4. One of a Kind!

No two giraffes have the same spot pattern. Each giraffe's spots are unique, just like a fingerprint!

5. Gentle Giants!

Even though they are very tall, giraffes are gentle and calm animals.
