

COMMUNITY MEETING

GUNLAKE QUARRY EXTENSION PROJECT

All members of the local community are invited to attend a community meeting about the Gunlake Quarry Extension Project.

The meeting will be held at the Marulan Community Hall, George St, Marulan on **Thursday 30 June 2016**, between **5 and 7 pm**.

The Environmental Impact Statement for the Gunlake Quarry Extension Project was exhibited by the Department in April and May 2016 and the applicant, Gunlake Quarries, is currently preparing a report responding to the issues raised in the submissions received from the community, special interest groups and government agencies.

Before it considers the applicant's Response to Submissions document and prepares its assessment report on this project, the Department is holding the community meeting to:

- listen to the community's views on this project;
- provide the community with information on the planning process; and
- answer any questions about the assessment and planning process.

The applicant has also been invited to attend the meeting, to listen to the community's views.

If you have any questions about the community meeting or the project, please contact Margaret Kirton on 9228-6289 or by email margaret.kirton@planning.nsw.gov.au
