Dream Stuff Competitions. The position of the center of the ball will be determined after the close of the Competition by an independent panel of judges using their sporting experience and in the presence of a qualified lawyer and a

representative from GindiLife ('Judge's Position'). In certain cases and at the discretion of GindiLife, the position of the Judge's Position may be determined by the Judge before the Competition starts, and will immediately be encrypted and stored securely on our database.

Within forty eight (48) hours of the end of the respective Competition, the Judge's Position will be computed against the database of coordinates to mathematically calculate which of the valid and eligible Entries received by GindiLife is closest to the Judge's Position, and therefore the winning Entrant (the 'First Prize Winner') of the prize. The Prize Winner will be the person who correctly identifies, or if no one is correct, who is closest to, the Judge's Position.

For the avoidance of doubt once the prize has been forfeited the original Winner will have no further claims against GindiLife.
