About our restaurant

850 Degrees is a family-owned restaurant conceived and operated by Larry Debany. We make the best pizza you'll ever eat and we want to be your number one choice for both wood fired and traditional pizza.

Larry's love of pizza has not faded since he owned his first small shop in Ridgefield. Larry has expanded the idea of a pizza restaurant here at 850 Degrees. We offer NY Style & Ultra Thin pizza from traditional pizza ovens and Neapolitan style pizza from our wood fired oven. Each pie is hand made; each is unique and made to your liking.
