

Join the Acden Team!

We pride ourselves on offering our employees a dynamic, rewarding and healthy work environment. If you are looking for diverse experience and an opportunity to grow within your role and the company, Acden is for you.

As a leader in sustainable development, we are constantly looking for innovative ways to create value through environmentally responsible energy development. We encourage our employees at every level to share ideas on how to improve the corporation and minimize the impact we leave behind.

At Acden, you will be given the tools and support to make meaningful contributions to your career and to your company. You will also become a part of a corporation that believes in productivity coupled with balance and that wants their employees to succeed in all aspects.

Join us today!

With 18 companies and over 3000 employees, Acden is one of Canada's largest Aboriginal companies.

Acden Environment Limited Partnership is the largest supplier of non-hazardous waste management services in the Regional Municipality of Wood Buffalo. In operation since 1994, we proudly serve all major producers in the region.

Our objective is to provide safe, innovative and environmentally responsible waste management solutions that ultimately benefit our customers, stakeholders, employees and our shared environment.

Temporary Class One Operators
Competition: AE-2017-119

Acden Environment LP. is seeking four (4) **Temporary Class One Operators** to join its **Suncor Fort Hills** operations. These positions will consist of 7 on, 7 off rotations; 12-hour day shifts. Flight and camp accommodations will be provided through the client from designated hubs in Edmonton (Alberta), and Calgary (Alberta). Please note: Schedules, shifts and site locations may change from time to time to meet operational requirements. **These are temporary positions ending on or before January 31, 2018.**

The Class One Operator is responsible for the delivery of bins and waste collection services as well as the transportation of vehicles and heavy/over dimensional loads, using tractor and trailer combination. This position may also be responsible for operating a Lugger, Roll Off, and Front Load truck in a safe and appropriate manner as directed by Management.

Duties and Responsibilities:

- Safe and timely delivery of waste bins and waste collection services.
- Operate highway tractor trailer combinations as well as Roll Off truck and PUP trailer combinations.
- Ensure that all excess debris is properly and safely disposed of and cleaned up prior to leaving assigned areas.
- Operate truck mounted hydraulic hoisting devices as required.
- Inspect bins and report on condition and functionality or defects of bins.
- Conduct Commercial Vehicle inspections daily.
- Communicate with dispatchers concerning delays, unsafe conditions, incidents, equipment breakdowns and other maintenance or operational concerns as they arise. Document and report deficiencies immediately.
- Speak with customers to resolve minor customer concerns and refer customer complaints or questions to foreperson or operations supervisor.
- Attending toolbox talks and safety meetings as scheduled, adhering to all company and site safety regulations and procedures.
- Transportation of vehicles and heavy/over dimensional loads using tractor and trailer combination.
- Additional duties as they may arise that would fulfill the mandate of providing complete service to the client.

Qualifications:

- Valid Class One (1) Operator's license is required with a clean operator's abstract (within 30 days.)
- **Minimum of 3 years of directly related operating experience; including tractor-trailer trucks.**
- Transportation of Dangerous Goods (TDG) certification is considered a strong asset.
- Experience with Load Securement in accordance with Alberta Load Securement Practices.
- Previous experience operating roll-off truck, and front-load truck is strongly preferred.
- Clear and precise verbal and written communication skills.
- Must be a highly motivated individual.

Requirements:

- Comprehensive Drug, Alcohol, Audiometric and Visual pre-employment screening test.
- Class 1 License (with a clean operator's abstract).
- Must be eligible to work at all Oilsands client sites within the Regional Municipality of Wood Buffalo.
- Must be able to successfully complete a driver's evaluation in the Fort McMurray region.
- Must have a valid OSSA and CSTS, and/or OSSA BSO certification.

Additional Incentives:

- Competitive Industry Wage.
- Competitive Benefits (including health, dental, vision, short & long term disability and life insurance).

Interested candidates are invited to **complete an online application** in confidence, along with the competition number (**AE-2017-119**) to:

Acden Holdings LP.

Apply Online: www.acden.com/careers

This competition will close once all candidates have been selected.

We would like to thank all who apply; however, only candidates that are being considered will be contacted. *Employment Equity is a factor in selection. Applicants are requested to indicate on the online application and in their covering letter or résumé if they are from any of the following groups: Aboriginal people (including ACFN, MCFN, FMFN, and Métis), women, visible minorities and persons with a disability.*
