

# SUPERHERO MATH-A-MANIA

*It's time for Superhero Math-A-Mania!*

*A great way for your child to find fun in math while supporting South School!!*

*On the flip side you will find your child's Math-A-Mania sponsor sheet. This program was developed for children to dive into grade-level math fun while raising money for our school with the help of family and friends.*

*This year our goal is 100% participation in the math packets--sponsorship is not required to participate! However, if they do want to get pledges, they can ask parents, grandparents, family and friends to sponsor them to participate, but they should NOT go door-to-door asking for sponsors.*

*Each child that returns their completed packet will receive a free jump pass donated by Launch Trampoline Park in Methuen and their name on the Superhero Wall of Fame in the Cafeteria!*

*Every class that gets 100% participation will get a pajama day and an extra recess.*

*And if we can get 100% participation school wide,  
we will have an ice cream party for the entire school!*

*This has been a very successful fundraiser for our school.  
Last year, with your support, your children raised over \$7,000 – Thank you!*

**DEADLINE FOR PACKAGE AND PLEDGE SUBMISSIONS  
TUESDAY, APRIL 30TH**

*All completed Math-A-Mania packets, sponsor sheets and pledge money should be returned to your child's teacher on or before the deadline. The sooner they return it, the longer their name will be on the Wall of Fame!*

*For questions please contact Jennessa Durrani at [jennessa@celebratestudio.com](mailto:jennessa@celebratestudio.com).*
