

On Sunday April 23, the Down to Earth Gardening Expo & Plant Fair will be held at Carcoar Showground. Entries are invited in a competition for **Garden Art created from recycled materials**. The aim is to promote the re-use of materials and show how creativity can reduce the amount of waste going to landfill. There will be prize money on offer.

Entries must be made by the entrant from at least 70% recycled / re-used material.

Entry forms must be submitted by April 20.

Entries must be set up on site by 8am and must remain on display until 2pm.

Judging will be based on creative expression and the innovative use of recycled material.

Entries may be displayed with 'For Sale' details.
